

DEPAUL UNIVERSITY

GLOBAL GATEWAY PROGRAM

Study in the Heart of Chicago.

#1 BEST BIG CITY IN THE USA

Condé Nast Traveler, 2021

GLOBALGATEWAY.DEPAUL.EDU

EXPERIENCE CAREER-LED TEACHING AT A **HIGHLY RANKED U.S. UNIVERSITY.**

If you want to study in one of the greatest cities in the world, DePaul University is the choice for you. Located in the heart of Chicago, DePaul offers premium access to internships and jobs across all sectors. We focus on inclusivity, personalism, and professionalism to produce well-rounded students who are ready to meet the challenges of the workplace and make a global difference.

NATIONALLY RANKED

DePaul University is ranked 127th in the U.S. by U.S. News & World Report (2022), and several programs are ranked in the top 100. The undergraduate Driehaus College of Business is ranked 84th nationally.

GREAT CITY LIFESTYLE

As a DePaul student, you will live and study in Chicago, the third largest city in the USA. Chicago is famous for its amazing architecture, world-class sports, and thriving food and music scenes. It is also home to 30+ top Fortune 500 company offices, many of which offer internships.

CAREER-FOCUSED

Throughout your time at DePaul, you will be encouraged to think about your future. You will build career skills through real-world exposure, with opportunities to partake in events and internships.

COMMUNITY

DePaul values inclusion and diversity above all. Almost every culture and country is represented in Chicago, and about 6% of DePaul's population is international. Here, you will be welcomed into a friendly community from day one.

22 How to apply

#127th

DePaul University is **ranked 127th in the U.S.** (U.S. News and World Report 2022).

Alumni

More than 201,000 alumni worldwide work in areas including **conservation, technology,** and **law**, to make the world a better place.

HIGHLY EMPLOYABLE GRADUATES.

Global employers

Graduates have worked for global employers such as **Accenture, IBM, Microsoft, Salesforce, GE** and **AON.**

DePaul is committed to student success. With our support, you can connect with internships, Optional Practical Training, and further career opportunities at 30+ Fortune 500 companies with locations in Chicago as well as other businesses that range from start-ups to internationally reaching organizations.

STUDENT SUPPORT

Academic advisors are available to discuss long- and short-term curriculum planning, program requirements, course selection, major/minor selection and questions related to academic policy and procedure.

The Career Center provides services including career advising, help finding jobs and internships and help with résumés.

GRADUATE SUCCESS

90% of students graduating with bachelor's degrees are employed, continuing education or pursuing other goals within six months of graduation.

More than 350 organizations actively recruit DePaul students on campus each year for job and internship opportunities. 59% of graduates have done internships by the time they graduate, giving them the experience and skills to help them stand out.

I think it's a great time for international students to feel supported and welcomed, because our leadership understands what they've been through and has had that direct experience."

KARI COSTELLO
DePaul University Assistant Vice President Global Engagement.

UNIVERSITY CENTER CITY ACCOMMODATION

OUTSTANDING **FACILITIES.**

One of the most exciting things about studying at DePaul is that you will live in the center of Chicago. Our accommodations help to ensure you have an easy start to your time here and can start to feel at home straight away. You will also have access to DePaul's student facilities, including the Career Center, health services, and the Idea Realization Lab.

UNIVERSITY CENTER HOUSING

Undergraduate pathway students (and some graduate students) live in the University Center. This large housing and dining complex is less than a five-minute walk away from DePaul's Loop Campus, where you will study. Students live in semi-suites with three other students.

UCC amenities:

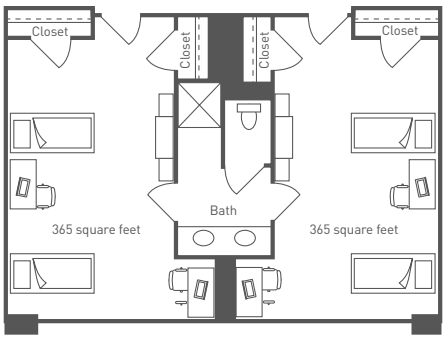

- Workout center, multimedia and meeting rooms
- State-of-the-art technology labs
- Music practice rooms and art studio
- Dining center
- Game room and student lounge with kitchen on every floor
- Study room on every floor
- Bicycle storage
- Laundry facilities
- 24-hour security and keycard access
- All utilities included (heat, air, cable, local phone, and internet access)

Your room:

- Shared with a roommate
- Single bed, desk, chair, and closet
- 20,000 sq. ft rooftop garden on 3rd floor
- Meal plan
- Shared bathroom

Students who have successfully completed the pathway may live off campus, or move to one of DePaul's traditional-style residence halls in Lincoln Park. Direct admit undergraduate and graduate students are allowed to live on or off campus. The DePaul Department of Housing Services is available to help students find off-campus housing.

Typical room layout:

UNIVERSITY CENTER QUAD SEMI SUITE

UNIVERSITY CENTER QUAD BATHROOM

COMMON AREA

WELCOME TO THE "WINDY CITY."

DePaul has two campuses, both in central Chicago: Chicago Loop Campus and Chicago Lincoln Park Campus. They are home to different colleges and schools, as well as libraries and other student facilities. It's easy to get between campuses and around Chicago, with several public transportation options including the famous Chicago 'L' train.

THE LOOP

The Loop campus is in downtown Chicago, home to some of the city's most famous landmarks, including the Cloud Gate sculpture and the 108-story Willis Tower. It is also Chicago's largest business district, home to Fortune 500 companies including Boeing, Kraft Heinz and Motorola Solutions. Living and studying in the heart of Chicago, there is plenty to explore between lectures.

Facilities on the Loop campus include:

- DePaul University Public Safety Department
- Multiple cafés and dining outlets, where you can find a variety of international foods
- DePaul University Bookstore

LINCOLN PARK

8 km from the DePaul Loop Campus is the Lincoln Park campus. This lively neighbourhood has award-winning restaurants, great live music, famous theatres, and a massive park bordered by Lake Michigan.

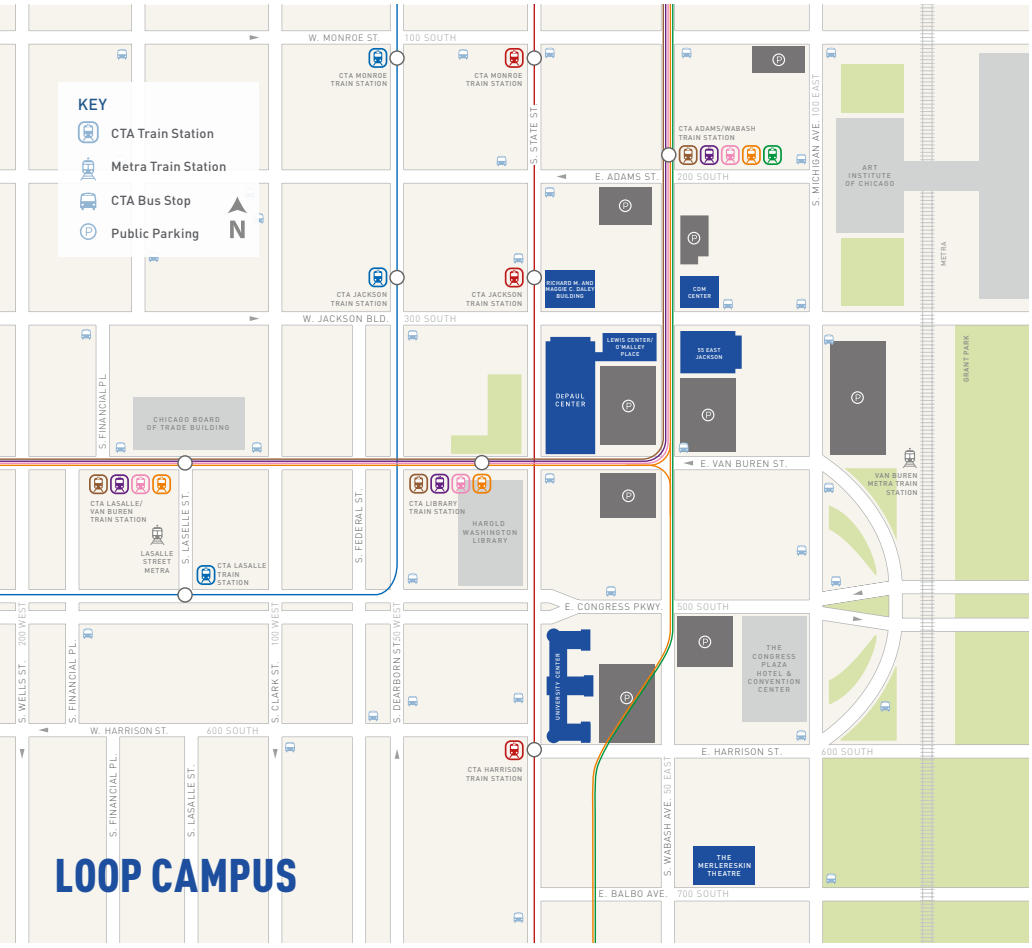

Facilities on the Lincoln Park campus include:

- Ray Meyer Fitness & Recreation Center
- The Student Center
- DePaul Urban Garden

#2

Chicago is the **#2 most beautiful city in the world** (#1 in North America) and is the **3rd friendliest city in the world**, according to Time Out (2021). The rankings come from an index of 27,000 survey voters across the world.

The way DePaul designs a course is incredibly unique; it meets the needs of students and current industry trends. For any successful career, any person should have cognitive and technical skills. I feel lucky that I got a chance to learn both accurately at DePaul University."

Graduate, Computer Science MS '21

DEGREE **PROGRAMS.**

DePaul University operates on a quarter system. The Fall, Winter, Spring and Summer quarters each last 10 weeks. This means you can explore varied interests throughout your degree program.

HIGHLIGHTED DEGREES

ACCOUNTANCY BSB, MS, MBA

With DePaul's location in the heart of Chicago's busiest financial district, our Accountancy students have access to leading accounting and consulting firms while they learn from faculty who have served major corporations as chief financial officers, controllers, and internal auditors.

Bachelor of Science in Business (BSB) students take courses such as Advanced Financial Accounting, Financial Reporting, and Tax Treatment of Corporations and Partnerships.

To further excel in the field, graduate students may pursue a Master of Business Administration (MBA) degree with a concentration in Accountancy or an Accountancy Master of Science (MS) degree.

Our graduates work at the Big Four Accounting firms (Deloitte, Ernst & Young, KPMG, and PricewaterhouseCoopers), as well as the Federal Reserve Bank of Chicago, Zhou Agency, and Cushman & Wakefield.

#44 Top Undergraduate Accountancy Program in the Nation (U.S. News & World Report, 2022)

95% of Accountancy BSB graduates were employed at the time of graduation or within six months (DePaul University, 2021)

73% of Accountancy BSB graduates completed an internship while studying at DePaul (DePaul University, 2021)

ANIMATION BA, BFA, & MA

DePaul has one of the largest full-time Animation faculties in the USA with work experience that includes *Beauty and the Beast*, *The Simpsons*, and *Futurama*. With our nationally ranked programs, you will have access to a 32,000-square-foot production facility at Cinespace Chicago, and we have a Los Angeles-based location for our 10-week L.A. Quarter and the new Creative Producing MFA.

Undergraduate students can choose between a Bachelor of Arts (BA) and a Bachelor of Fine Arts (BFA) degree in Animation. Both programs include courses in 3-D Animation, Motion Graphics, and Stop-Motion Graphics.

The Master of Arts (MA) degree prepares students for a future in 3D character animation, traditional animation, computer game art, or visual effects.

Recent graduates have been hired in animation roles at DreamWorks Animation, Laika Studios, Google, Blizzard Entertainment, Phosphor Studios, Wargaming, Nickelodeon, Electronic Arts, and Synapse Games.

#23 Animation School in U.S. (Animation Career Review, 2021)

#2 Animation School in the Midwest (Animation Career Review, 2021)

#16 Film School in the U.S. (Hollywood Reporter, 2021)

A Top 20 Film School (Variety, 2021)

STEM-Designated Degrees

ARTIFICIAL INTELLIGENCE MS

The Artificial Intelligence MS program prepares students to be part of vastly emerging job growth in industries like cybersecurity, healthcare, manufacturing, retail, and more. Graduate students will learn to apply artificial intelligence (AI) to technical areas like natural language processing, big data systems, computer vision, image processing, and robotics.

The MS program does not require a bachelor's degree in computer science or a related field. We value all academic backgrounds and will provide the introductory courses you need to prepare for a career in AI.

Students will learn advanced technical skills and gain a deep understanding of AI and machine learning along with the creation of complex intelligent systems and how to integrate AI with existing applications and processes. Sample courses include:

- Introduction to Image Processing
- Advanced Machine Learning
- Tools and Techniques for Computational Analysis

STEM-Designated Degree

Advantages

- Flexibility to add a 2nd Major or Minor program
- Opportunity to travel home in the December intercession
- Get involved in service projects

STEM-DESIGNATED DEGREES

BUSINESS ANALYTICS MS

With an MS in Business Analytics, DePaul students are prepared to become financial professionals with exceptional data analysis skills. They learn from expert faculty members and use their instructors' case studies and research to solve real-world business problems as they take courses such as Fundamentals of Business Analytics, Data Management, and Business Performance Analysis. Students choose from elective courses in areas like:

- Computer Science
- Data Science
- Economic Analysis
- Hospitality Leadership
- Supply Chain Management.

Our Business Analytics MS students go on to work at companies like AlRajhi Bank, KeHE Distributors, and The Marketing Store, North America.

STEM-Designated Degree

COMPUTER SCIENCE BS, MS

DePaul's Computer Science programs prepare undergraduate and graduate students for success with innovative curriculum, inspiring faculty, and strong connections to industry.

Undergraduates explore aspects of mathematics, science, and engineering, and may choose a Game Systems or Software Development concentration. Sample courses include Data Structures, Optimized C++, and Game Engine Programming.

The MS program is the premier training ground for computing professionals in Chicago. Students learn the fundamentals of the field, explore programmatic applications, and can research topics like data mining and scientific computing. Sample courses include Artificial Intelligence, Game and Real-Time Systems, and Object-Oriented Software Development.

Our Computer Science graduates have gone on to work at Amazon, Microsoft, Deloitte, Navteq, and Oracle.

54% of Computer Science MS graduates completed an internship while studying at DePaul (DePaul University, 2021)

93% of Computer Science MS graduates were employed at the time of graduation or within six months (DePaul University, 2021)

STEM-Designated Degree

STEM-designated degrees

DePaul offers many STEM-designated degrees at the undergraduate and graduate levels. Completing these programs may qualify international students to extend their post-graduation stay in the USA through optional practical training (OPT).

Students should talk with their DePaul advisors to confirm that their chosen program is a STEM-designated degree.

CYBERSECURITY BS, MS

With DePaul's CDM Security Lab that features more than 100 routers, 60 switches, 90 firewalls, and a wide variety of servers and specialized network appliances and access to the Cisco Networking Academy materials, Cybersecurity students are ready for careers in computer forensics, incident response, network security administration, and beyond.

Undergraduates learn to manage an organization's computer, information, and network security systems while working with various security infrastructure components. Sample courses include Data Structures, Fundamentals of Network Security, and Host Based Security.

Graduate students choose from concentrations in Computer Security; Networking and Infrastructure; and Governance, Risk Management, and Compliance. In addition to courses like Cryptology and Digital Forensic Techniques, MS students complete a capstone project with real-world experience.

63% of Cybersecurity BS graduates completed an internship while studying at DePaul (DePaul University, 2021)

93% of Cybersecurity MS graduates were employed at the time of graduation or within six months (DePaul University, 2021)

STEM-Designated Degrees

DATA SCIENCE BS, MS

The College of Computing and Digital Media, home to our Data Science BS and MS programs, features 30 labs and centers, including:

- The DePaul Center for Data Science: Partner with organizations for projects in data mining, predictive analytics, and machine learning.
- The Laboratory for Interactive Human-Computer Analytics (LIHCA): Explore Human-in-the-Loop analytics by using machine learning and interactive visualization at the same time.

Undergraduates will study mathematical foundations in data analysis, build technical skills for data processing and application development, and learn advanced machine learning and statistical modeling techniques. Sample courses include Data Structures, Data Visualization, and Database Systems.

Data Science MS students can choose from concentrations in Computational Methods, Healthcare, Hospitality, and Marketing, and will gain advanced computational skills to meet emerging challenges in big data analytics. Sample courses include Advanced Data Analysis, Database Processing for Large-Scale Analytics, and Python Programming.

Our Data Science graduates have gone on to work at companies Amazon, Google, IBM, Facebook, Deloitte, GE Capital, and BMO Harris Bank.

93% of Data Science MS graduates were employed at the time of graduation or within six months (DePaul University, 2021)

STEM-Designated Degrees

FINANCE BSB, MS, MBA

DePaul offers both a BSB and an MS degree in Finance. With these degrees, students are prepared for financial sector careers as they learn to develop strategic financial objectives, improve investment decisions, design financial instruments, and manage corporate risk.

BSB students have the option to study specialized curriculum in Banking, Corporate Finance, Investment/ Financial Analysis, or Risk Management. Sample courses include Banking and Financial Services, Corporate Financial Management, and Investment Theory and Practice.

The Finance MS program is a STEM-designated program. Graduate students in this program learn skills such as financial decision-making techniques; solution development; designing, using and evaluating financial tools and instruments; and risk analysis. Graduate students can choose to pursue an MBA with a Finance concentration as well.

Graduates go on to work at companies like Amazon, Allstate, CME Group, Capital One, and Taos Global Group.

92% of Finance BSB graduates were employed at the time of graduation or within six months (DePaul University, 2021)

65% of Finance BSB graduates completed an internship while studying at DePaul (DePaul University, 2021)

STEM-Designated Degree (MS only)

GAME DESIGN BS, MFA / GAME PROGRAMMING BS, MS

Students can pursue exciting careers in the emerging game design industry under the guidance of DePaul faculty members who are industry-leading, experienced professionals. The Game Design BS and MFA programs prepare students to become storytellers, critical thinkers, entrepreneurs, and leaders in the field of games. We also offer BS and MS degrees in Game Programming.

Game Design students take courses like 3D Animation, Game Sound Design, Playgramming, and Creative Computation. For Game Programming students, we offer courses in

- 3-D Design and Modeling
- Computer Graphics Development
- Architecture of Real-Time Systems
- Game Engine Programming I & II.

Recent graduates have gone on to work at Disney Consumer Products and Interactive Media, NeatherRealm Studios, Owlchemy Labs, and Phosphor Games, and they have formed their own gaming companies like YoungHorses, whose indie hit Octodad was developed at DePaul.

#41 Top Undergraduate Schools to Study Game Design (The Princeton Review, 2021)

#25 Top Graduate Schools to Study Game Design (The Princeton Review, 2021)

#15 Game Design School in the U.S. (Animation Career Review, 2021)

STEM-Designated Degrees (Game Programming BS, MS)

HOSPITALITY LEADERSHIP BSB, MS, MBA

Located in the Driehaus College of Business, DePaul's School of Hospitality Leadership was established with the support of a $7.5 million gift from the Conrad N. Hilton Foundation.

The Hospitality Leadership BSB program prepares students for careers in various industry areas with courses like Club Management, Hospitality Service and Experience Management, and Hospitality Strategy. BSB students complete two 2-credit internships and are strongly encouraged to divide their internships between the "Back of the House" where production often occurs and the "Front of the House" where customer contact occurs and service is delivered.

The MS in Hospitality Leadership and Operational Performance helps students further their knowledge of strategy and cutting-edge technologies while enhancing their skills in customer relationship management, data analysis, and financial metrics. Sample courses include Managing the Guest/Employee Experience, Marketing Management, and Service Technology & Innovation in the Hospitality Environment. An MBA with a concentration in Hospitality Leadership is available as well.

Our graduates go on to work at corporations like Hilton, Discover Global Network, Hyatt Hotels Corporation, and Four Seasons Hotels & Resorts. The Marriott Foundation Center for Student Development and Engagement assists DePaul hospitality students in career planning and helps connect them with industry partners and alumni.

Professors at DePaul are really kind. Computer science is one of the most popular majors in my homeland and in the U.S., and I have a great interest in this area. The most charming part of computer science is when you are facing a hard code and you try your best to figure it out. After a lot of process and tests, finally it runs successfully. The joy of success is unparalleled."

GLOBAL GATEWAY PROGRAM.

The Global Gateway Program (GGP) combines English language study with academic skills and coursework. It also helps international students adjust to U.S. life by providing cultural support during the first year in the U.S. and in a university classroom.

Students who successfully complete the GGP can progress to undergraduate studies in the areas of Business; Computing and Digital Media; Communication; Education; Liberal Arts and Social Sciences; and Science and Health.

UNDERGRAD GGP OPTIONS

3-Quarter = Standard GGP

4-Quarter = Extended GGP

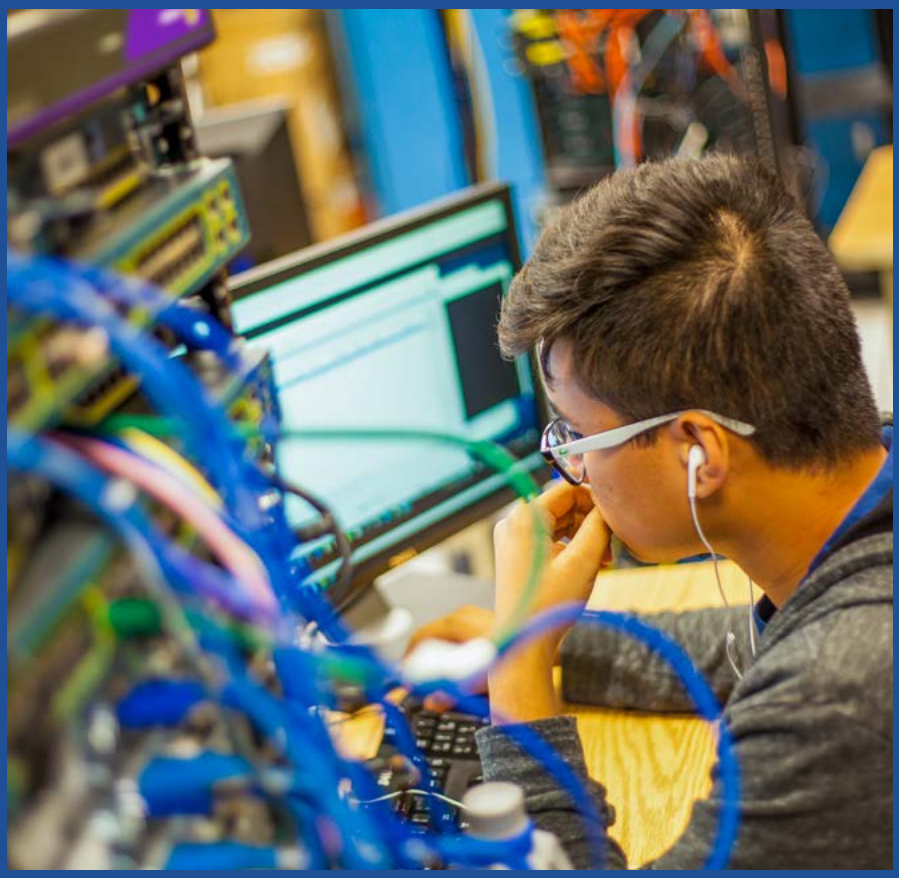

5-Quarter = Extended Plus GGP

Pre-Sessional English

PRE-SESSIONAL ENGLISH

Undergraduate students can enroll in the 1- or 2-quarter Pre-Sessional English and then enter the 5-quarter Extended Plus GGP.

Entry requirements: TOEFL iBT 32-40 | IELTS 3.5-4.5 | Duolingo 65-70| GPA 2.3 (2.5 for Education majors)

WHY STUDY A **PATHWAY PROGRAM?**

GUARANTEED PROGRESSION

Upon successful completion of your GGP, you will be guaranteed progression to your degree program with the confidence you need to succeed.

GRADUATE IN THE SAME AMOUNT OF TIME

Earn 44 to 46 academic credits during your GGP, receive personalized support, and graduate at the same pace as a direct admit student who typically earns 44 credits in the first year.

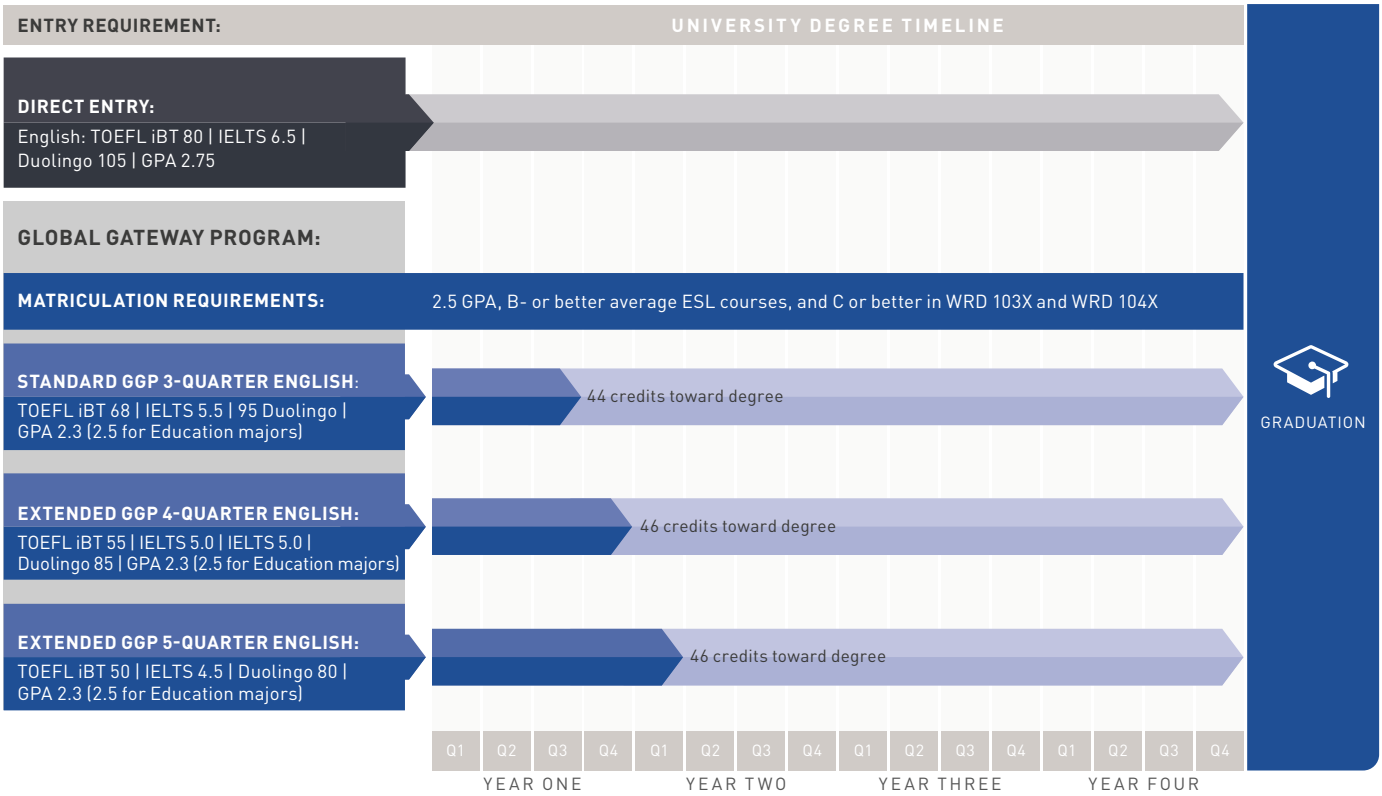

A DIVERSE COMMUNITY

Make new friends and become part of a community of U.S. and international studies from day one, in one of the most diverse cities in the world: Chicago.

PREPARE FOR YOUR FUTURE

Benefit from small class sizes, personalized feedback, and tailored learning. Grow from each other's experiences and perspectives and progress with a broader outlook on the world, ready for success.

UNDERGRADUATE

SAMPLE 3-QUARTER STANDARD GGP CURRICULUM: 44 ACADEMIC CREDITS EARNED

QUARTER 1	QUARTER 2	QUARTER 3
Explore Chicago (4 credits)	Composition and Rhetoric I (4 credits)	Composition and Rhetoric II (4 credits)
Basic Writing II (4 credits)	Math Course or Liberal Studies Program (LSP) Course (4 credits)	Math Course or LSP Course (4 credits)
Math Course (4 credits)	LSP: Arts and Literature Course or Scientific Inquiry Course (2 courses, 4 credits each)	LSP: Arts and Literature Course or Scientific Inquiry Course (4 credits)
Academic Reading and Writing II (6 contact hours)	Advanced Academic Language Proficiency I (6 contact hours)	LSP Course (4 credits)
Academic Listening and Speaking II (6 contact hours)		Advanced Academic Language Proficiency II (6 contact hours)

GRADUATE STUDIES

The Graduate GGP offers students the opportunity to gain language, study and cultural skills in a highly-supportive environment while earning 12 academic credits toward their chosen Master's degree.

Each quarter, you will take a combination of DePaul academic courses (credited) and English courses (non-credit). Course options are dependent upon the required Pathway.

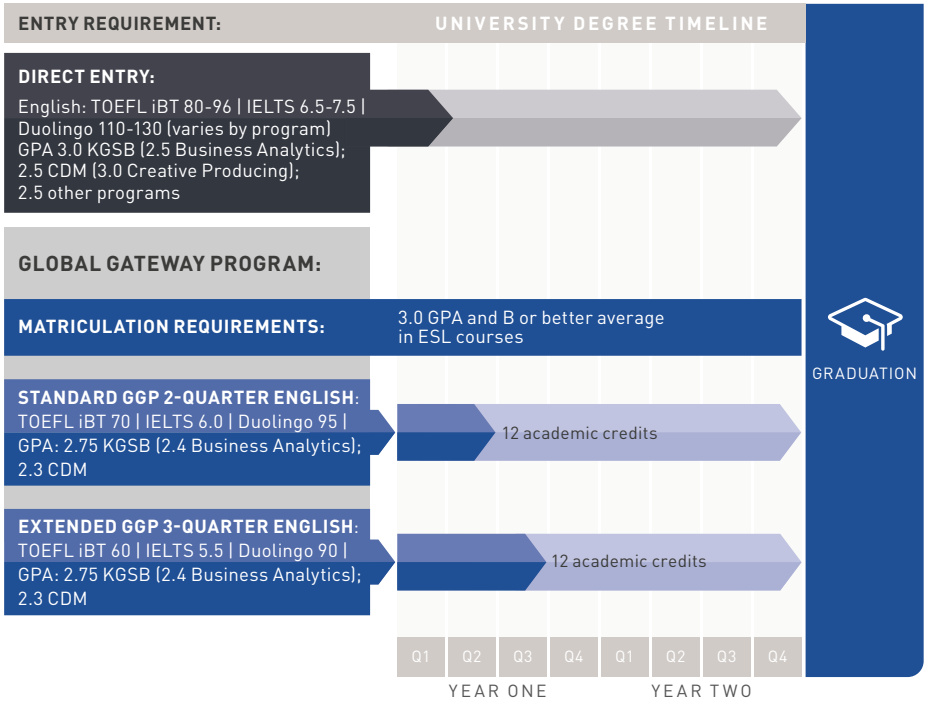

GRADUATE GGP OPTIONS

2-Quarter = Standard GGP
3-Quarter = Extended GGP
Pre-Sessional English

Graduate students can enroll in Pre-Sessional English for 1 to 4 quarters and then enter the 3-quarter Extended GGP.

Entry requirements: TOEFL iBT 32-55 | IELTS 3.5-5.0 | Duolingo 65-85| GPA: 2.75 KGSB (2.4 Business Analytics); 2.3 CDM

GRADUATE

During your GGP, you will earn 12 academic credits toward your MS degree. Most MS degrees require 48 to 52 credits for graduation. Depending on your entry level, additional introductory courses may be required for your degree.

Upon successful completion of your GGP, you will be guaranteed progression to your Master of Science (MS) degree program with the confidence you need to succeed.

THE COLLEGE OF COMPUTING AND DIGITAL MEDIA

ARTIFICIAL INTELLIGENCE MS | COMPUTER SCIENCE MS | CYBERSECURITY MS (COMPUTER SCIENCE CONCENTRATION)

Sample 2-Quarter Standard GGP Curriculum: 12 Academic Credits Earned

QUARTER 1	QUARTER 2
Introduction to Programming (4 credits) Reading and Writing for Graduate Study (6 contact hours) Listening and Speaking for Graduate Study (6 contact hours)	Discrete Structures for Computer Science (4 credits) Data Structures I (4 credits) Graduate Academic Language Proficiency Reading & Writing (6 contact hours) Graduate Academic Language Proficiency Speaking & Listening (6 contact hours)

KELLSTADT GRADUATE SCHOOL OF BUSINESS

ACCOUNTANCY MS | BUSINESS ANALYTICS MS | FINANCE MS | HOSPITALITY LEADERSHIP AND OPERATIONAL PERFORMANCE MS | MANAGEMENT MS | MARKETING MS | SUSTAINABLE MANAGEMENT MS

Sample 2-Quarter Standard GGP Curriculum: 12 Academic Credits Earned

QUARTER 1	QUARTER 2
US Business Practice & Culture (4 credits) Business Analytics Tools OR Financial Accounting (4 credits) Reading and Writing for Graduate Study (6 contact hours) Listening and Speaking for Graduate Study (6 contact hours)	**Choose of one of these courses:** • Cost and Managerial Accounting OR • Financial Management OR • Fundamentals of Business Analytics OR • Management for Effective and Ethical Organizational Behavior (4 credits) Graduate Academic Language Proficiency Reading & Writing (6 contact hours) Graduate Academic Language Proficiency Speaking & Listening (6 contact hours)

Courses are based on degree program and are subject to change based on factors such as student enrollment, course rotation in academic calendar, and faculty availability.

INCREASED CAREER PROSPECTS

We bring lessons to life with real-world experiences. You will immerse yourself in your chosen subject and learn how to build your career with activities like networking, résumé writing, and practicing interviews.

SUPPORT AT EVERY STEP

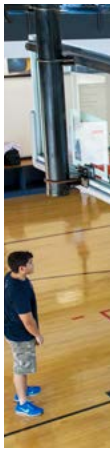

From day one, your personal GGP Student Advisor is here to support you on every step of your journey, from enrolling in classes to transitioning into the next phase of your studies at DePaul.

Top university

In addition to being **ranked #127** by U.S. News & World Report (2022), DePaul University is one of The Princeton Review's **Best 387 Colleges for 2022**.

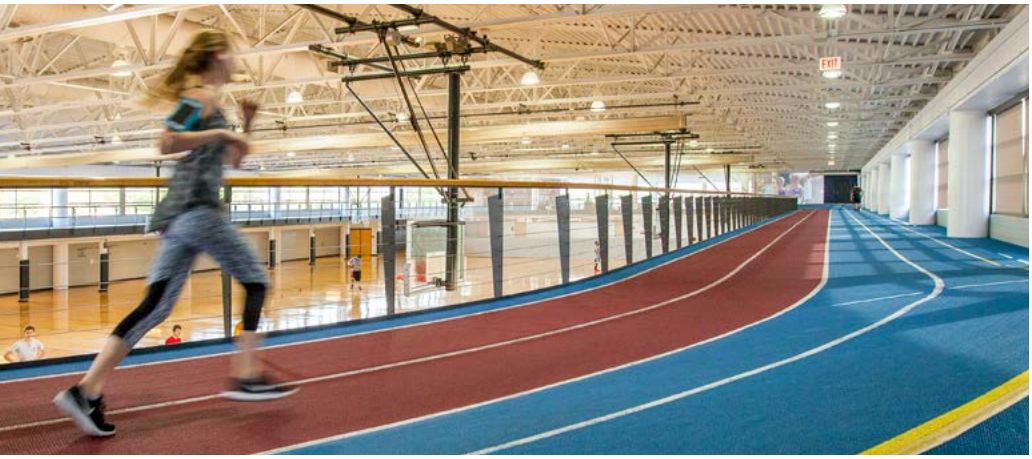

STUDENT **LIFE.**

DePaul University encourages students to get involved in life out of the classroom, to ensure a well-rounded and rewarding university experience. There are more than 350 organizations and clubs to choose from, helping you grow transferable skills such as teamwork and leadership. Make friends and become part of the community as you follow your passions and discover new hobbies. The annual Student Involvement Fair held makes it easy to find something for you.

ORGANIZATIONS AND CLUBS INCLUDE:

- Actuarial Science Club
- American Sign Language Club
- DePaul Society of Space Exploration
- Neuroscience Club
- Global Brigades
- Kellstadt Business Analytics Organization (KBAO)
- Pre-Health Career Community (PCC)
- Pre-Veterinary Club
- Psi Chi - Psychology Honors Fraternity
- Psychology Peer Mentors
- Society of Physics Students
- Sport Legacy Institute Community Educators (SLICE)
- Underrepresented Groups in Medicine (UGM)

SPORTS AT DEPAUL

Trying out for an intramural athletic team like basketball, soccer or softball is another great way to immerse yourself in university culture.

If you prefer something more flexible, The Ray Meyer Fitness and Recreation Center offers group fitness classes, outdoor adventure trips, workout equipment, a swimming pool, and other facilities.

EVENTS AT DEPAUL

DePaul Activities Board (DAB) is DePaul's event-organizing body. DAB organize events throughout the year, ranging from annual traditions, such as Homecoming and FEST (an outdoor concert and festival), to speakers, music, movies, comedy shows, and more.

SERVICE AT DEPAUL

At DePaul, students can take part in community service to help those less in need. Here, you can participate in a service immersion trip during spring break, take part in New Student Service Day or Vincentian Service Day, or volunteer through community-based organizations.

HOW TO **APPLY.**

If you would like to apply to study in the DePaul University Global Gateway Program or for direct admission to an undergraduate or graduate degree program, you will need to complete an application form and submit the relevant documentation.

This brochure is issued for the general guidance of students considering entry to the DePaul University Global Gateway Program from 2022.

The information is correct at the time of going to press, and the programs and services described herein are those which Study Group is planning to offer.

However, Study Group reserves the right to amend, add or remove any program and/or services set out in this brochure and/or the timetable, delivery, content syllabi, and assessment of such programs.

The University (where applicable) also reserves the right to amend the regulations governing those programs without prior notice. Study Group therefore strongly recommends that immediately prior to making any application to Study Group or accepting any offer from Study Group, students should refer to the most up-to-date version of the program descriptions and specifications and the regulations on the DePaul University Global Gateway Program website.

Study Group also reserves the right to make variations to the content and method of delivery of the programs and services, to discontinue programs and services and/or to combine and merge programs, if such action is reasonably considered to be necessary by Study Group.

Applicants to Study Group programs will be notified as soon as practicable of any material changes likely to have a bearing on their applications, such as cancellation of, or major modification to programs offered, changes to accommodation provision, or fees and charges to be levied where applicable.

Neither the University nor Study Group shall be liable for any errors or omissions that may be contained.

The DePaul University Global Gateway Program is part of Study Group, a global leader in preparing students for international academic success and rewarding careers through a life-changing learning experience. We offer customized programs across higher and language education, starting from high school to life-long learning.
