Huddersfield is a modern, successful and innovative university with a great reputation for helping students succeed in their chosen career. Whether you are interested in creative arts, computing, engineering or business, there is a course at the International Study Centre to suit you.

You are a student of the University from the very first day you join us at the International Study Centre. You will study and learn on campus, and have full access to University facilities such as the library, sports hall and Students' Union.

Study options

Our aim is for our campus to be fully open for the start of your course in September 2021 and to get you where you want to be, studying at the University of Huddersfield.
