Graduate career-ready with practical learning experiences

International Year One

Get a head start in your career by progressing directly to the second year of your undergraduate degree.

Why study the International Year One?

Our International Year One* programme **helps you to study an undergraduate degree at Teesside University,** even if you don't meet the entry requirements. With this programme, you will develop your English language and subject knowledge in order to get the most out of your university degree.

In addition to this, after completing the programme **you will progress directly to the second year of your degree** in order to graduate within just three years. As well as being able to get a head start in your future career, you will also **benefit from only three years of affordable tuition fees and living costs**.

You can also **benefit from a joint visa** for all three years of your study. By studying with an iCAS* you will save time and money with only one visa application process.

You can choose from two subject pathways:

· **Business**
· **Engineering and Computing**
